One of you will win the
book *Honu and Hina* by
Patrick Ching and Friends

Parrot fish are
called uhu in Hawaiian.
They are colorful and
eat coral.

Step 1. Forming:

Form up the uhu using ovals and circles. Remember to press softly at this stage in case you need to erase lines.

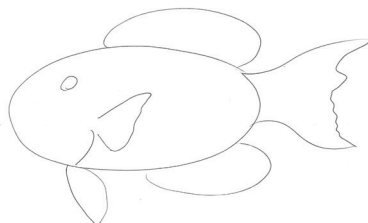

Step 2. Outlining:

Outline the uhu adding details at this stage.

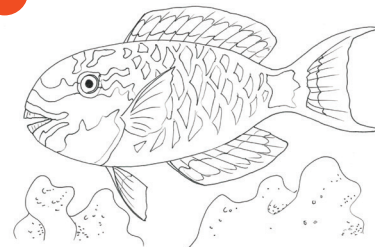

Step 3. Shading & Coloring:

Finally color the uhu using crayons or colored pencils. Tada!
